Dear Valued Customer,

Under REACH article 33(2), manufacturers have a responsibility to identify and communicate to customers whether “substances of high concern” (SVHC’s), are contained in their products at greater than 0.1 weight percent.

The European Chemicals Agency (ECHA) has published candidate lists for authorization totaling 38 SVHC’s.

Products provided, supplied, and applied by ND Industries, Inc., do not contain any SVHC above reportable quantities, with the exception of plastisol coatings. For specific SVHC content information relating to plastisol coatings please contact ND Industries, Inc., Environmental, Health and Safety Department by using the link on the ND Industries website at www.NDIndustries.com.

Sincerely,

Kim Frazier
